Every day is composed of the following:

All this with room and board (with home cooked meals), accommodation in our private Riders' Residence a beautiful 19th century Irish house, completely refurbished - and two new building extensions.

At all times, day and night, under the supervision and attention of the Center's teachers.

PICK UPS at THE AIRPORT / BUS STATION

- ✓ Campers traveling alone will be picked up in Bilbao by a member of the Center's staff.
- ✓ The transfer schedule, both the day of arrival and the day of the return home, is from 4:00 pm to 9:30 pm. Within these days and hours this service is FREE.
- ✓ For other days or times - or if the meeting point is Santander instead of Bilbao - the price is 50 € per student and transfer.
- ✓ For MINORS traveling by PLANE it is essential that - before booking the ticket - that you ask us for the data/contact details of the person/people in charge of picking them up so that they can be authorized. Otherwise we will not be allowed to pick up your child.

- ✓ If you book a flight for a MINOR online, please make sure that the company allows minors to travel unaccompanied. You may find that, once at the airport, they will not allow them to board.
- ✓ Do not forget to check-in on-line TWO days before the day of travel; at current time the Companies reserve the right to use your seat even if you show up 2 hours before the boarding time.
- ✓ Please send us with sufficient time the complete travel details (origin/destination, departure/arrival time, company and flight).
- ✓ It is important that you provide us with the pupil's cell phone number so that we can contact him/her in case of need. We will also give you the telephone numbers of the people in charge of picking him/her up.
